

Are you ready for something familiar yet new and exciting? Simply Mochi is where you will find just what you are looking for.

You may ask, what is a mochi? Mochis are glutinous rice balls filled with various sweet fillings, usually a variety of bean fillings. However, we specialize in an array of non traditional flavors that will still create a nostalgic feeling while presenting new flavors that will excite your palette.

Simply Mochi focuses on creating little sweet bites of perfection and joy for your mouth. Our mochi is hand made everyday, using only the freshest ingredients possible. We strive to provide you a simple ball of happiness that you can enjoy anytime of the day and on all occasions.
